Dear [PROVIDER-NAME] [NAME]

[ADDRESS] Holbury Southampton [POSTCODE]

DOB: [DATE] Hospital Number: [MED-ID] NHS Number: [NHS-NO]

I reviewed this pleasant 62 year old gentleman in the Vascular Clinic today. He underwent a false femoral aneurysm repair in December 2016. Following that he underwent an aortic valve r under the care of [NAME] [NAME].

I am pleased to say that under the care of [NAME] [NAME] good progress. He told me that the g took a little time to heal and he has some reduced sensation in the inner aspect of his right is back to his activities of daily living and working again.

On examination today this gentleman looks well. The groin wound has now completely healed. He complement of very easily palpable pulses.

I have reassured under the care of [NAME] [NAME] sensation in his leg is likely to improve wi discharged him back into your care.

Yours sincerely
