Dear Miss [NAME] , [ADDRESS]. [POSTCODE]

DOB: [DATE] , Hospital Number: [MED-ID] , NHS Number: [NHS-NO]

I have done some further research as to why you have been booked into my clinic. It seems that the pancreas is slightly dilated on one of the CT scans. [NAME] is probably just a chance I would like you to have an MRI scan of the pancreas and to come back and see me in clinic. I think that I had not picked that up while you were in clinic today but if it is any consolation you would have needed the MRI scan and a further appointment anyway.

I will talk to you more when I next see you. Please accept my apologies.

Yours sincerely
