Dear [PROVIDER-NAME] [NAME] , [ADDRESS]. [POSTCODE]

DOB: [DATE] , Hospital Number: [MED-ID] , NHS Number: [NHS-NO]

I reviewed Mrs [NAME]. She had emergency Hartmann's procedure in July. [NAME] was for perforated colon with faecal peritonitis. [NAME] has confirmed diverticular perforation with no other abnormalities of the bowel.

She made a good recovery from her surgery. She has a non-tender abdomen with a healing scar. I discussed the options with her. She is keen to come in for reversal of Hartmann's. I explained what [NAME] entails though she may need a loop ileostomy.

Yours sincerely

Mr [NAME]

Consultant Surgeon
